

REMARKS

I. Introduction

The Office Action dated August 12, 2004, has been carefully reviewed and the foregoing amendment has been made in response thereto. Allowance of all pending claims 1-13 is gratefully acknowledged.

II. Objection to Specification

The Ex parte Quayle action noted that the serial number needed to be substituted for the attorney docket number of the co-pending application referred to on page 10, line 28. The appropriate serial number has been provided by the present amendment.

III. Conclusion

In view of the formality having been corrected, the application is now in condition for allowance. Favorable action is respectfully solicited.

Respectfully submitted,

Mark L. Mollon
